Dear Shorthorn & Polled Shorthorn Breeders:

Interest in Shorthorns and Polled Shorthorns is at an all time high in Illinois this year. We feel that this is directly related to the tremendous, record breaking Spring State Sale that was held for this Association last March right here in Macomb. Breeders have come to consider Illinois as the true cradle of the breed. Certainly the cattle selling in this sale will further that reputation.

The offering this fall consists mainly of outstanding bred females and junior heifer calves. We held the bulls to a minimum, but I can assure you that the six selling are worthy of your consideration. I look forward to having you with us for the sale and if I can be of any service to you, please do not hesitate to call on me or any member of my staff. Looking forward to seeing you in Macomb.

Sincerely,

CAGWIN CATTLE SERVICES, INC.
